"Members Matter"

Brisbane North Retirees Inc is an independent, non-political, not-for-profit Association dedicated to working with and for retirees, and those planning their retirement, by providing information that seeks to assist members in enjoying a successful retirement.

Our objectives are to:

- 1) provide fellowship and support to make members' retirement a success
- 2) provide information on matters pertaining to retirement
- (3) provide a venue for discussion of financial and investment matters that impact on retirees
- (4) monitor and, as appropriate, provide comment to government and non- government entities and the media on issues pertaining to retirees
- (5) arrange for specialist speakers to address members on relevant matters
- (6) co-operate with and, where appropriate, seek affiliation with other organisations with objectives consistent with those of the association
- (7) obtain financial support from corporations and others through sponsorship or partnership arrangements to assist in funding the objectives of the association
- (8) organise social functions for association members.

How do we achieve that?

By a monthly:

- * Newsletter
- * Finance Discussion Group Meeting
- * General Meeting with Guest speakers and adequate time to meet and socialize.
- * Exchange of ideas and information with other independent associations like ours, and
- * Two social group outings per year (Subject to prevailing health regulations)

Come and visit us at one of our meetings at the Geebung RSL Club - no obligation to join.

for details, please contact [Rob at 0457 029 141](tel:0457029141) email: bnractive@gmail.com
